## Our Policy

We ask that all volunteers understand that this room is for the benefit of the troops. There is to be no talk of the politics of the war with the troops that enter the room or any expression of criticism that could even be remotely interpreted as negative by any military personnel. Keep in mind that many of the troops could be either heading into harm's way or just returning from a battle intense environment. Our purpose is to provide comfort; a smile and a positive setting so please avoid any controversial topics either with the troops or other volunteers. You are representing the great folks of Central New York so please, dress, behave and speak accordingly.

Thank you for completing this application form and for your interest in volunteering with us.

## Agreement and Signature

By submitting this application, I affirm that the facts set forth in it are true and complete. I understand that if I am accepted as a volunteer, any false statements, omissions, or other misrepresentations made by me on this application may result in my immediate dismissal.
